- 5.3 The grant recipient (cardholder) signs the signature strip on the back of the Card

6. Loading Your Card

- 6.1 Funds will be loaded to your Card by Buttle UK and will be available for use upon card activation.
- 6.2 Funds cannot be loaded by you or accepted from any other source than those stated in 5.1
- 6.3 We reserve the right to refuse to accept any particular loading transaction.
- 6.4 Buttle UK may also load funds onto your Card in real time if they have requested the facility to do this and we have approved this facility for them.
- 6.5 Once loaded to the Card, the funds remain the property of Buttle UK.

7. Using your Card

- 7.1 The Card is a prepaid product which can be used to pay for goods and services at merchants that display the Mastercard Acceptance Mark. The money loaded onto your card reflects the grant made for a specific purpose and must only be used for purchases as set out in the grant award letter.
- 7.2 Your Card can be used:
 - 7.2.1 to make purchases in-store as contactless or Chip and PIN transactions;
 - 7.2.2 to make 'card not present' transactions e.g. internet shopping/online purchases, mail order or telephone order;
- 7.3 Your Card cannot be used:
 - 7.3.1 to withdraw cash at an ATM cashpoint;

- 7.3.2 for recurring transactions, where a merchant providing goods/services authorises the charging of periodic (e.g. weekly, monthly, or yearly), automatic payments during a set amount of time;
- 7.3.3 for gaming or gambling
- 7.3.4 to obtain cashback from a retailer;
- 7.3.5 if it has been reported as Lost or Stolen;
- 7.3.6 if it has expired or been stopped or cancelled during the period of validity embossed on the Card;
- 7.3.7 to pre-book services, such as hotels and car hire companies, as this may result in a negative balance on your Card when the final bill is settled. We suggest that you use an alternative method of payment for pre-authorisations, and then use your Card when checking out of the hotel or paying your final car hire bill. You will not be charged twice by the hotel or car hire company;
- 7.3.8 in situations where it is not possible for the Merchant to obtain online authorisation even if you have sufficient balance for the transaction. For example, transactions on buses, trains, ships, and some in-flight purchases.
- 7.4 Contactless point of sale transactions are subject to the local contactless limit.
- 7.5 We will send you a text message (SMS) alert for each transaction made with your card. You do not need to register to use this service, we'll automatically enrol you. You can choose to switch these alerts off via your website online account and switch them back on at any time you wish.
- 7.6 For added security, your Card is set up with Contactless Counters. These counters require you to make a contact transaction, rather than a contactless transaction, whenever the number or cumulative amount of contactless transactions reaches £150. To make a contact transaction you will be asked to enter your PIN into the point of sale payment terminal.
- 7.7 You can retrieve your PIN via your case worker at any time.
- 7.8 You can change your PIN at any time, through any ATM that provides such a service. If we are charged by the ATM provider for changing the PIN, we reserve the right to pass this charge to your card. You should be advised of any charges for changing your PIN at an ATM. We have no control over these charges.
- 7.9 If you commence a purchase and then change your mind and fail to make the purchase, after the Merchant has already obtained an "authorisation" for the transaction, the "authorisation" may result in a temporary hold for that amount of funds for up to ten (10) Days.
- 7.10 We will deduct any applicable transaction amounts, fees and charges due from the available balance on your Card as they become payable by you. See the Fee Summary table for details of our fees in section 23. If there is no available balance of funds, or charges exceed the balance of funds available and/or your card goes into negative balance, we will notify you and may require you to repay the balance in the time and manner requested. We reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.
- 7.11 In the unlikely event, for any reason whatsoever, a transaction is completed when there are insufficient funds on the Card for that transaction (a "Shortfall"), the Shortfall may need to be reimbursed by you unless it is due to an error on the part of the Merchant where the Card was presented, in this circumstance we may seek the Shortfall from the Merchant.
You agree that once we make this Shortfall known to you, we may charge you for the Shortfall amount. We may charge the amount of the shortfall from any other products issued by us that you hold with us, or to any other payment method that you may designate at that time, or against any funds that you may subsequently load onto your Card or on any additional Card activated by you as a replacement. Until we are reimbursed the Shortfall amount, we may suspend your Card.
- 7.12 Like other payment cards, we cannot guarantee a Merchant will accept your Card. We may also refuse to pay a transaction:
 - 7.12.1 If we are concerned about the security of your Card or we suspect your Card is being used in an unauthorised or fraudulent manner.
 - 7.12.2 If insufficient funds are available on your Card at the time of a transaction to cover the amount of the transaction and any applicable fees;
 - 7.12.3 If there is an outstanding shortfall on the Card in accordance with section 6.11;
 - 7.12.4 If we have reasonable grounds to believe that you are acting in breach of this Agreement or the grant award purpose and terms and conditions;

- 7.12.5 If we believe that a transaction is potentially suspicious or illegal (for example, if we believe that a transaction is being made fraudulently); or
- 7.12.6 Because of errors, failures (whether mechanical or otherwise) or refusals by Merchants, payment processors or payment schemes processing transactions.
- 7.13 If we refuse to authorise a transaction, we will, if practicable, tell you why immediately unless it would be unlawful for us to do so. You may correct any information we hold and which may have caused us to refuse a transaction by contacting customer services.
- 7.14 We may at any time suspend, restrict or cancel your Card or refuse to issue or replace a Card for reasons relating to the following:
 - 7.14.1 We are concerned about the security of your Card we have issued to you;
 - 7.14.2 We suspect your Card is being used in an unauthorised or fraudulent manner;
 - 7.14.3 or we need to do so to comply with the law.If we do this, we will tell you as soon as we can or are permitted to do so after we have taken these steps.

8. Authorising Transactions

- 8.1 You agree that any use of your card, card number, contactless or PIN, or any other authentication information, including the entry of a one-time passcode constitutes your authorisation and consent to a transaction.
- 8.2 The time of receipt of a transaction order is when it is received by us. If a transaction order is received after 5pm on a business day, then it will be deemed to have been received on the next business day. If receipt does not fall on a business day, then it will be deemed to have been received on the next business day.
- 8.3 You cannot stop a transaction after it has been transmitted to us by giving your consent to the transaction, or once you have given your consent to the supplier for a pre-authorised payment.
- 8.4 We may refuse a transaction or suspend or terminate the right to top up your card. We may do this if the relevant phone or computer link is busy. We may also do this if:
 - 8.4.1 a transaction might take you over your available funds on the card; or
 - 8.4.2 a transaction might take you over any of your card limits; or
 - 8.4.3 we reasonably believe that we need to do so to keep to the rules of the payment system under which your card is issued; or
 - 8.4.4 we reasonably believe that there are needs to do so to comply with any law or as a matter of good practice.

9. 3D Secure (3DS)

- 9.1 3D Secure is a payment authentication standard for internet purchases which adds an extra layer of security when purchasing goods or services online with participating retailers.
- 9.2 3D Secure is an extra security feature of your prepaid card and is not intended to replace security obligations in the terms and conditions of your card.
- 9.3 You do not need to register your card to use this service, we'll automatically enrol your card.
- 9.4 When purchasing online from a participating retailer and authentication is required, you will be brought to a Mastercard ID Check screen.
- 9.5 You'll be prompted to enter a one-time passcode (OTP) sent to your mobile phone by text message (SMS) to complete your purchase. The message will be sent from 'QPAY'. You have three attempts to enter the passcode correctly. If you do not enter the passcode correctly, you will not be able to complete your online purchase.
- 9.6 The passcode will only be valid for the online purchase you have received it for and shall expire after 15 minutes.
- 9.7 To enable you to use 3D Secure you should make sure that the personal information we hold for you (mobile phone number) is up to date. For assistance, speak to our customer service team, see section 34

The up-to-date version of these terms and conditions will always be available on the Website. The change will automatically take effect and you will be taken to have accepted the notified change unless you tell us that you do not agree to the change. In that event, we will treat that notice as notification that you wish immediately to terminate. In such circumstances we will refund any balance on the Card in accordance with the terms above and you will not be charged a Redemption Fee.
- 21.3 We may also cancel your Agreement for any reason by giving you at least 2 months' notice:

- 28.1 You can choose to allow a Third Party Provider (TPP) to access information on your account, to combine and display information about your account with information from accounts you have with other payment service providers, and, if applicable to your payment instrument, to make payments for you from your account, provided the TPP is authorised by the FCA or another European regulator and you have given your explicit consent.
